---

## Legacy is the Top Choice for Cache County Pest Control

---

***Legacy Pest Control specializes in the effective and safe pest control at a price you can afford.*** It's our mission to serve Utah customers this way.

- We're a *family-owned business* with friendly knowledgeable technicians and over 15 years of experience in pest control services Cache County.
- We use *green products that are safe and family and pet-friendly*. In most cases you won't have to leave your home during treatment. Whether you're there or away we'll get the job done.
- We *arrive on time and respect your home*. Our products don't stain carpets and curtains and we know how to protect them.
- We provide pest control in *both commercial and residential properties*, including single-family homes and apartments.

- Our services are *fully guaranteed*, 4-6 weeks for one-time treatment and continuously for quarterly service.
- >We have the *right tools for the job*. Different pests call for different treatments, and we know which to use in each situation. We have the right answer to your problem. With Legacy, you can be confident the *work is done correctly*.

## What Services Does Legacy Pest Control Offer?

---

We're not just a specialist in one kind of problem. While we don't deal with large animals such as raccoons, we offer treatments for a huge variety of pest management needs.

Services include:

- Bed bugs pest control. We're the bed bugs exterminator who can make this problem a thing of the past
- Termite pest control and ant pest control for sweet ants, odorous ants and all other kinds
- Cockroach pest control
- Wasp and hornet pest control
- Elimination of earwigs, >silverfish>, spiders, centipedes, millipedes, mosquitoes, beetles, moths, crickets and >boxelder bugs.
- Control of small rodents such as mice, rats, bats, and squirrels. We'll get them out and keep them from getting back in.
- Arbojet tree injections to treat insects, fungi and nutritional deficiency.
- Removal of problem birds. We love birds when they're away from your structures where they belong, but we'll stop them from nesting on or damaging your home or office building.
- One time treatment for your immediate problem. We also provide (and recommend) a quarterly maintenance plan to keep pests away continuously.
- Tailored treatment plans to meet the specific needs on your property.
- 24/7 emergency pest control service.
